 <b>Carrier</b> <b>TRANSICOLD</b>	No.: 98-50007-00 Date: 12/17/98	Rev: -
Title: Installation Instructions Access Panel TIR Compliance	Supersedes: new Page: 1 of 1	

When installing this panel on an older unit originally built with a tabbed TIR seal access panel, please follow the instructions below.

To ensure that the unit continues to comply with TIR customs sealing requirements install two TIR bolts to each access panel (total of 6 per unit) assembled across one corner as shown below.

Newer units with no tabbed panels already have these bolts.
